Dear Industry Professional,

Short, sweet, and to the point...

CERTIFICATION OF MAILING  
is included for your review of just how  
many physical copies of these magazines  
are distributed monthly.

### What you get with **WorldWide Drilling Resource, Inc.**

- **SERVICE** – *Solid Gold Service ~ with a Smile!™* Before, during, and after the sale we are here for you. If you aren't happy, we aren't happy.
- **COVERAGE** – More coverage worldwide monthly than any other drilling and geothermal magazine ----- BAR NONE! Online coverage of your advertisements and editorial is easily accessible through our two Web sites: [worldwidedrillingresource.com](http://worldwidedrillingresource.com) and [worldwidegeothermalresource.com](http://worldwidegeothermalresource.com). We are always striving to improve their contents.
- **GREAT RATES** – Lowest advertised rates in the industries we represent.
- **FLEXIBILITY** – We know you want the best way to attract your customer base. May we suggest...Keeping your name visible at all times? Remember, they see it once, but don't really see it. They see it twice, and kind of remember they saw it before. But when they see it three times, it actually registers and they DO REMEMBER seeing it before. Keep your advertisements running every month and you have imbedded it into their memory. Besides, each month the **WDDR/WWGR** Team attends different events and carries your message to different venues – don't miss one opportunity to get your ad into their hands!

### What you **DON'T** get with **Worldwide Drilling Resource, Inc.**

- **NO GAMES** – Straight talk.
- **NO VOICE MAIL** - Your call is answered promptly, courteously, and effectively, putting you in touch with the right person to help you. The only time you will receive an automated attendant is after hours or on holidays. Even then, you are given a number direct to the Managing Publisher so you may receive immediate assistance. YOU and YOUR BUSINESS are important to us. We want to help you succeed.
- **NO HASSLES** - Not in our vocabulary. It is not our intent to waste your time, so we will get right to the point to assist you as quickly and efficiently as possible.
- **NO DELAYS.** Again NOT here! Our turnaround time for answering your e-mails is faster than any other media, and our turnaround time for advertisements and editorial input prepared by our staff on your behalf is unbeatable.

On behalf of the **WDDR/WWGR** Team, we appreciate your consideration and thank you for your business.
